Authorized Training Center & Vocational Training Partner of :

INDIAN GROUP OF INSTITUTIONS

Empowering Future Leaders in Aviation, Hospitality, Technology & Beyond

The Indian Group of Institutions is a leading educational group committed to delivering quality education, practical training and career-oriented programs across multiple disciplines. With a vision to build skilled professionals and confident leaders, IGI empowers students to achieve excellence in their chosen fields.

CHAIRMAN'S MESSAGE:

Welcome to Indian Group of Institutions (IGI).

Since 2005, Indian Group of Institutions (IGI) has been committed to delivering quality education that builds knowledge, skills, and character. We focus on bridging the gap between academic learning and industry requirements through practical training, innovation, and a student-centric approach. With experienced faculty, modern infrastructure, and strong industry engagement, we prepare students for successful careers and responsible citizenship. As we continue to grow, our mission remains to empower learners with the confidence and competencies needed to excel in a dynamic world. I extend my best wishes to all students and invite you to be a part of IGI's journey towards academic excellence and professional success.
